

FP Orana 44 "Ciube"

From BoatPlus;
This cruising cat is great for beginners, experts and any sailors who enjoy one-level living in style. They all like the idea of catamarans because both new boaters and powerboat people have difficulty accepting the need for a sailing boat to lean over and make everyone uncomfortable. All of which is a roundabout way of introducing the Orana 44, whose French builders, Fountaine-Pajot, have produced a clever design with a good balance of indoor and outdoor volumes and spaces

SailMagazine says;
The Fountaine Pajot Orana 44 is not a radical departure from the builder's earlier boats, but it's a significant evolutionary step. The new hardtop design, improved helm station, pleasant interior, and good sailing qualities add up to make a comfortable, swift cruiser.
