

Dufour 410 GL "Selenia"

Dufour Grand Large 410 was born as a result of long and fructuous cooperation with Felci Yachts Design. Gracious lines, simple but adorable layout along with latest structural solutions characterize the new Grand Large 410. Her longitudinal side windows and large panoramic in front of low superstructure emphasize a modern look of this vessel, allowing lots of natural light in the interior; which is the latest trend in the shipbuilding industry.

Shore Power • Hot Water • Radio-CD Player • Fully Fitted Galley • Fridge

Navigation And Electronics
Speed - Wind - Depth • Autopilot • GPS Chart Plotter • VHF • Radar

The deck is characterized by spacious and ergonomic cockpit with twin steering wheels and an interesting intervention in the trunks beneath the benches. Their sides are foldable and could be lifted to the level of the seats, making two exceptional sunbathing platforms, with additional cushions attached.
