

Bavaria 41 Cruiser "Spirit"

From Bavaria;
Why is the BAVARIA CRUISER 41 ideal for, among other things, family trips? Because she is so easy to handle – you only need two hands to set and trim the sails. There are at least two options for guiding the main-sheet – from the cruising version with one sheet that can be trimmed with one of the halyard winches on the cockpit roof, to a sporty version in which the mainsheet can be guided with the two aft cockpit winches and operated there by the helmsman.
