

## Bavaria 46 Cruiser "Django"

From Bavaria Yachts; You would be hard pressed to find another sailing yacht in her class that offers more space, more comfort and is as easy to handle as the CRUISER 46. She has balanced sailing and manoeuvring properties and impressive potential speed. Twin rudder blades make the CRUISER 46 adaptable in all wind conditions and courses.

SailMagazine.com says; Bavaria has done a good job here refining and improving what was already a very good mass-production cruising boat. In terms of space and comfort, the Cruiser 46's interior accommodations are equal to any of its competitors. In terms of performance, if set up properly, it is a superior vessel.
