

## FP Salina 48 "Vivaldi"

From Fountaine Pajot; The Salina 48 Evolution is an extremely capable offshore catamaran ideally suited to blue water cruising with an emphasis on stability, comfort, safety and spaciousness. Its length (48'/14.30 m) gives it a slender shape with a very low centre of gravity for optimal comfort and safety at sea while its 136 sq.m. sail plan performs very effectively with minimal pitch in more choppy conditions.

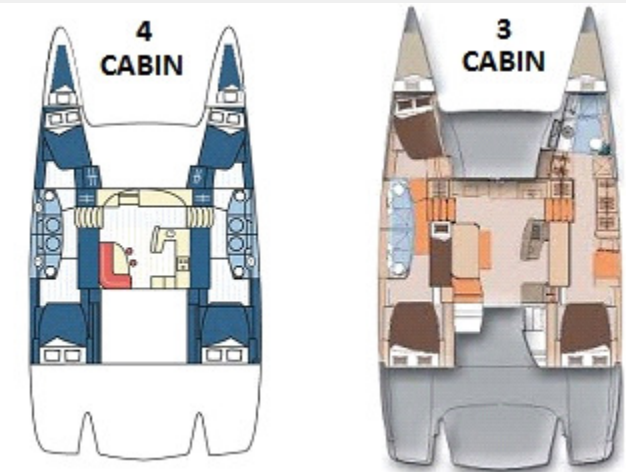

Year of Build		
2013		
Cabins	Berths	Showers/Heads

**Navigation And Electronics**  
Speed - Wind - Depth • Autopilot • GPS Chart Plotter • VHF

A redesigned, raised steering station is fully protected from the sun and seats three people featuring direct, ergonomic access to the cockpit. Also, with the cockpit, saloon and steering station seamlessly integrated, the Salina 48 Evolution enables the helmsman and guests to enjoy easy, uninterrupted communication. The boat has been redesigned to maximise space and storage in the passageways, while larger portholes afford even more natural light and unforgettable views.
