

Bali 43 "Linda"

From Bali;
The 4.3 is characterised by a having a single area cockpit/saloon, with a totally flush deck of 30m², entirely free of bulkheads, and accessed by a huge glass door which is entirely retractable on electric struts. To go from "cosy" to "loft" mode in a flash, for your panoramic view over the sea. A forward cockpit with dining area as well as a huge sunbathing area (18m²) in place of the traditional trampoline. Extra living space with the sunbathing area on the coachroof

Speed - Wind - Depth • Autopilot • GPS Chart Plotter • VHF

From Bali;
The 4.3 benefits from exceptional natural light. Large retractable windows bring an unequalled amount of fresh air into the saloon, as well as panoramic views, and the many portlights in the hulls ensure exceptional natural ventilation. The technical equipment will satisfy the most demanding, with a latest generation galley forward. For cooking facing the sea!
